Possible version 1

Everyone has different ideas about life. Some say life is happy, but others feel life is unhappy. In my opinion, life is beautiful and full of sunshine.

Several weeks ago, one of my classmates Sun was badly ill. He had to be in hospital for a long time. But his family was too poor to afford it. What could we do? We decided to collect money for him. Everyone in our class took out our pocket money. Then, we went to the street on Sunday to collect money from others. When we sent all the money to him, he and his parents were deeply moved.

Maybe sometimes we feel unlucky, but we should believe: Life is beautiful. Help and love will be around us forever.

Possible version 2

I live in a happy family and I think life is beautiful and full of sunshine.

I can remember one day when I got a cold, my parents took me to the hospital. After being examined, I took some medicine and went back home. My parents asked me to have a rest. I had a good sleep. When I woke up, I found my parents sitting beside me. They didn't sleep and stayed with me for a whole night. I felt very warm.

In a word, my parents love me and I love my parents, too. I think life is beautiful.
